

# Father God My Strength (Psalm 46)

Father, God my strength  
My refuge from the rain  
Forever present  
In times of great pain.

*I need feel no fear  
Father you are here  
Never shall you leave.*

Earthquakes come and go  
Oceans rage at me  
But your river flows  
Bringing strength to me.

In your sacred place  
Of the most high  
There you comfort me  
A place that never dies.
