

Love (1 Corinthians 13)

Love is patient, love is kind
Love is not jealous, conceited or proud
Love is not selfish or irritable
Love has no memory for wrongs and for faults.

*Love from a parent and love from a child
Makes all the difference
To who you really are.
Love from the Father and love from the Son
And love from the Spirit
Is the best love of all.*

Love knows what truth is and love knows no lies
Real love is eternal
It's the food for every life.
Love never gives up, it has faith and has hope
No-one can see love
For it lives in the heart.
