

# Today My Heart Was Touched

*Today, my heart was touched  
Today, my eyes drew many tears  
Today, my spirit rose and saw  
Jesus standing here with me.*

Now, here I stand with Him  
Looking at a man  
Who was once condemned.  
He's here And He knows my pain  
For He suffered more at Calvary.

Now, as He heals my wounds  
All that I can feel  
Is His wonderful love  
I know That He'll be with me  
Never shall I be  
In this prison again.
